Supported By

Local Partner

WHY UGANDA?

97% of Uganda's Exports in Africa are to countries in the EAC and COMESA regions. Uganda has seen an increase of 20% in the total imports in recent years

Uganda's electricity demand has been growing at an average of 10% per annum

Existing solar data clearly indicate that the solar energy resource in Uganda is high throughout the year indicating a huge untapped potential in this sector

Uganda has many renewable energy resources like bioenergy, water /hydro, solar and others that can be used for energy production and the provision of energy services. Many of these resources are yet untapped

Uganda is the largest growing economy in the East Africa Region

Uganda's Telecommunication Market has witnessed strong growth in recent years and is expected to have continued growth over the forecast period to 2025

WHY EXHIBIT?

-  Promote your company to decision-makers through numerous branding opportunities offered with each sponsorship and exhibitor package
-  Meeting point for senior Power, Energy, Electrical & Renewable Executives
-  Access point to the market of Uganda providing networking opportunity
-  Benchmark your company's strength to leading companies in Uganda
-  Direct Selling to Trade Intermediates
-  Largest Upcoming Power and Elec show in Uganda
-  Audience Filtering and Match Making
-  Rendezvous with Main Decision Makers and form alliances

EXHIBITOR PROFILE

Captive and Co-generation Plants, Geothermal, Thermal Power, Decentralised Generation, New & Renewable Energy Plants

Generators and Diesel Generating Sets, Wind and Solar Power Equipment, Electric Drives, Batteries, Inverters, UPS Systems

Transmission & Distribution Equipments

Transmission Lines, Towers & Accessories, Sub Station Equipments, Power and Distribution Transformers, Switch gear and Control gear, Measuring Instruments and metres, Cables and Conductors, Cabling and Wiring Products and accessories, Capacitors, Insulators, Insulation Materials and Electrical Components, Equipment for Alternate Sources of Energy

Telecommunications

Information and communication Technologies, LOT, Measuring and Testing Devices, Automation Systems & Equipment's, Control and Regulation, Drives Power Electronics and Power System

Electricals & Electronics

Electronics Components and Modules, Production Facilities and Components for Electrical Industry, Lasers, Photonics and FineMechanics, Electromobility – AMPER MOTION

Utilization, Controlling and Measuring Equipment

Household Electrical Appliances and Products, Safety Systems and Devices, Lighting Systems and Solutions, Lighting Fixtures and Accessories, Lamps and LEDs, Regulating and Control Equipment, Automation Systems, Rotating Machines, Energy Saving Equipments

Electroenergetics

Power Generation, Transfer and Distribution Conductors and Cables, Electric Installation, Building Management and Security Systems, Lighting Devices and Systems Electro Thermal Technology, Tools and Equipment, Software Development, IT and Automation

HVAC & Services

HVAC Equipment & Accessories, Transmission & Distribution Equipment's, Turn Key Contracting, Maintenance and Services

EXHIBITOR PROFILE

Connect

The exhibitors from various countries displaying the latest products in the power, Energy, electrical & renewable industry of Uganda.

Explore

Explore the various products on display from the industry of Power and Elec

Reform

Reform with the latest trends in this segment gaining new plans to grow

Collaborate

Collaborate with sellers, buyers and associates doing business in the same industry

Power and Elec

The various professionals and dignitaries from the Power and Elec sector who will be a part of the expo

Update

Collaborate with sellers, buyers and associates doing business in the same industry

VISITOR PROFILE

- ⚡ Utilities & IPP's Public and Municipal Utility Owners & Managers
- ⚡ Government and Regulatory Executives
- ⚡ Independent Power Producers
- ⚡ Original Equipment Manufacturers
- ⚡ Plants & Project Management Power / Heat Plant Owners & Operators
- ⚡ Plant Service Sector
- ⚡ Project Developers & Managers
- ⚡ Engineers Design / Structural / Construction Engineers
- ⚡ Industrial Facilities Personnel Mechanical / Electrical Plant Engineers
- ⚡ Investors & Advisors Strategic and Portfolio Investors
- ⚡ Industry Consultants and Advisers
- ⚡ Energy Traders & Trade Press
- ⚡ EPC Contractors & Electroene

GLIMPSES OF 2023

THE ORGANISERS

Exhibitions & Trade Services India Private Limited (ETSIPL) based out of Navi Mumbai, India is an ISO 9001:2015 Certified Organisation with more than 12 years of experience in promotion and organising of trade exhibitions across the globe. At ETSIPL, we have experience of dealing in 150+ International Trade Fairs taking place in 35+ countries in Europe, Asia, Africa, America and Oceania. Through its global network, ETSIPL has presence worldwide with local partners situated in most of the continents.

ETSIPL is professionally committed to deliver best trade services in the industry. Our goal through Power & Elec

Uganda is to provide opportunities to explore the potential of Uganda and other countries in the East African belt. As the organiser we are working closely and in partnership with some leading chambers / industry associations / government bodies and world leading trade fair organizers.

THE VENUE

UMA Show Grounds strategic location is one of the key strengths it possesses and this attracts a number of people coordinating different activities within the country.

The grounds are located in the Nakawa Division of Kampala which is 4.2 KM by road from the capital and largest city in Uganda. It enjoys recognition and respect both on a national, regional and

international scale. The grounds have different facilities that are used for different purposes like offices, retail shops, factory outlets, launches, exhibitions, workshops, meetings, seminars and related functions.
