ABOUT THE EXPO

5th Edition of the Power & Elec Uganda International Exhibition will be held from 7-9 July, 2027 at the Multi - Purpose Hall in UMA Show Grounds Lugogo, Kampala. It is the Largest Exhibition for the Power, Energy, Electrical, Electronics, Lighting, Solar & Other Renewable Sectors in Uganda. The exhibition is organised by Exhibitions & Trade Services India Pvt. Ltd. (ETSIPL) and Lanestra Enterprises Uganda Ltd is the Local Partner of the Exhibition.

The Exhibition hosts participants and attendees from East Africa, Middle East and Northern Africa (MENA), Asia and European Union. In 2026, the represented countries included Uganda, India, Kenya, China, UAE, Rwanda, Tanzania, South Africa, Greece and other parts of the world. Power & Electricity Forum is the concurrent conference which is held every year along with this exhibition to have meaningful discussions and dialogue related to the Power & Elec Sector in Uganda.

The Exhibition in 2026 was Officially Supported By Ministry of Energy & Mineral Development Uganda, Uganda National Renewable Energy & Energy Efficiency Alliance (UNREEA), Uganda Manufacturers Association (UMA), NEST Electrical Contractors Association (NECA) and Energy Efficiency Association of Uganda. The expo will be hosting Power & Elec Professionals, Importers & Exporters, Wholesalers and Decision Makers of the East African Region in Kampala for the Largest Power & Elec gathering of the year.

WHY EXHIBIT?

Promote your Company to Decision-Makers through numerous branding opportunities

Meeting Point for senior Power, Energy, Electrical, Solar & Renewable Executives

Benchmark your Company's Strength to Leading Buyers & Distributors

Rendezvous with Main Decision Makers and Form alliances

Largest Power & Elec Exhibition in Uganda

Direct Selling to Trade Intermediates

WHY VISIT?

Connect with Exhibitors from various countries displaying the latest products in the power, energy, electrical, electronics, lighting, solar & renewable sectors

Reform with the latest trends in this segment gaining new plans to grow in the region

Explore the various products on display from the industry of Power & Elec

Collaborat with sellers, buyers and associates doing business in the same industry

Collate the latest products and technologies gaining interest in Uganda and the East Africa Region

EXHIBITOR PROFILE

Solar & Renewables
Solar, Solar Batteries, Solar Panels, Solar Grid Projects, Solar Lights, Captive and Co-Generation Plants, Geothermal, Thermal Power, Decentralised Generation, New & Renewable Energy Plants, Generators and Diesel Generating Sets, Wind Energy

Transmission & Distribution Equipments
Transmission Lines, Towers & Accessories, Sub StationEquipments, Power and Distribution Transformers, Switch Gear and Control Gear, Measuring Instruments and metres

Electrical
Cables and Conductors, Cabling and Wiring Products & Accessories, Capacitors, Insulators, Insulation Materials & Electrical Components, Equipment

Batteries & UPS Systems
Batteries, Solar Batteries, Inverters, UPS Systems, Energy Storage Systems, Battery Testing & Equipment, EPCs

Electronics & Home Appliances
Electronics, Home Appliances, Electronics Components and Modules, Production Facilities & Components for Electrical Industry, Lasers, Photonics and Fine Mechanics

Lighting
Lighting Systems & Solutions, Lighting Fixtures and Accessories, Lamps & LEDs, Electric Bulbs & Designer Lighting

Utilisation, Controlling & Measuring Equipment
Safety Systems & Devices, Regulating and Control Equipment, Automation Systems, Rotating Machines, Energy Saving Equipments

Telecommunications
Information & Communication Technologies, LOT, Measuring and Testing Devices, Automation Systems & Equipment's, Control and Regulation, Drives Power Electronics and Power System

HVAC & Services
HVAC Equipment & Accessories, Air Conditioning Turn Key Contracting, Maintenance and Services

VISITOR PROFILE

Utilities & IPP's Public and Municipal Utility Owners & Managers, Importers & Exporters, Dealers & Distributors, Shop & Warehouse Owners, Government and Regulatory Executives, Independent Power Producers,Original Equipment Manufacturers, Engineers, Plants & Project Management Power /Heat Plant Owners & Operators, Project Developers & Managers, Engineers Design / Structural / Construction Engineers, Industrial Facilities Personnel Mechanical / Electrical Plant Engineers, Investors &Advisors Strategic and Portfolio Investors, Industry Consultants andAdvisers, EPC Contractors & Electroene, Energy Traders & Trade Press
